

# Camp Dogwood Summer Academy

## ~ STEP Packing List ~

You should come to Camp Dogwood, prepared for all types of weather – hot, cold, wet, and dry!

When you're packing, keep in mind that you will be staying in platform tents that may not have a lot of room for large suitcases. Pack as portable as possible! Plan to live basically out of a suitcase.

***You will be provided STEP gray shirts to wear with your shorts/pants as your uniform. You will have the opportunity to do laundry every other day.***
